ALL AGES LOVE IT!

DANCE IN PILES OF FOAM WITH DJ—MAGIC MARK

SPECIAL THANK YOU TO THE WESTWOOD FIRE DEPARTMENT

It is not uncommon for patients to cry with joy and hug staff upon seeing their new smiles for the first time! Patients tell us they are filled with self confidence, they feel more outgoing, and they simply can't stop smiling!

The entire staff at the office of Dr. Jitin Sahani can't wait to see your enthusiasm about your new smile. This is the real reason they are so passionate about what they do. Being involved in such a life-changing area of dentistry is significant and rewarding for Dr. Sahani and each member of the entire team. It's this passion that fuels the pursuit of excellence that it takes to be one of the premier practitioners of cosmetic dentistry in Massachusetts.

WESTWOOD POLICE EXPLORER PROGRAM

The Westwood Police Department's Explorer program is for high school students interested in a future career in law enforcement, law, or public service. Explorers meet at the police station twice a month, learn police procedure, ride along with officers, and provide traffic and crowd control at town events. Guest speakers come from the FBI, Secret Service, Homeland Security, and other local and national agencies.

For more information, or to request an application, visit the Explorer page under the "Services" tab of www.westwoodpd.org, or contact Sgt. Sicard at psicard@westwoodpd.org, or at 781-320-1000.

WESTWOOD YOUNG WOMEN'S CLUB DONATES TO SUPPORT PLAYGROUND

The School Street Playground is a well-utilized resource for both active and passive recreation within the community. Stop by the playground on any given day and you will see children and parents enjoying the play structures. The equipment is designed for children between the ages of 3 and 12 with unique items including climbing rocks, spinner bowls, and a star net. The extensive use of the playground requires regular inspection, maintenance, and equipment replacement. These repairs require financial investment.

Westwood Recreation is pleased to announce that the Westwood Young Women's Club (WYWC) has offered to support equipment upgrades with a generous donation of \$1,700. The funds donated were raised at the WYWC's annual Winterfest event this past December. The WYWC was instrumental in the original design and funding of the playground which sought to create a play area that challenged kids physically and mentally.

The Westwood Young Women's Club is a non-profit volunteer organization committed to enhancing Westwood and surrounding neighborhoods. Since 1959 the Club has been offering wonderful events, and sponsoring and supporting community organizations through fundraising. The WYWC is always looking for new members and more information can be found at www.wywc.org.

Westwood Recreation and DPW plan to use this donation to fund repairs and replacements of several of the play structures in the playground. The work will be done by a contracted playground installation company with additional upgrades being completed by Westwood's Department of Public Works.

Sharps Collection Program

The Westwood Board of Health provides a Sharps Collection Program for Westwood residents. Residents can dispose of their sharps anytime in the sharps collection kiosk located outside the Westwood Police Station, 590 High Street. The Health Department provides red one-liter sharps disposal containers free of charge to residents. They are available at the Westwood Health Department, the Westwood Town Hall and the Senior Center during regular business hours.

Mercury Collection Program

The Westwood Board of Health participates in the Mercury Recovery Program, sponsored by Wheelabrator Millbury Inc. Button batteries, mercury thermometers, thermostats, switches, and products that contain liquid mercury can be brought to the Board of Health office to be recycled properly. Fluorescent bulbs are collected at Household Hazardous Waste Day in the fall.

Mosquito Control

The Town of Westwood is a member of the Norfolk County Mosquito Control District which provides mosquito control activities. The District conducts surveillance to detect disease, water management to prevent breeding of mosquitoes in existing drainage swales and systems, larval control to control mosquitoes before they become flying adults, and adult control to manage mosquitoes. Aerial larval applications are conducted over wetlands for nuisance control in the spring. Adult Control (Adulticiding) is conducted from truck-mounted equipment (mosquito spraying) and is conducted on a weekly basis, weather permitting in the evenings after sunset by request only. If you **do not** want your property sprayed you must notify the Westwood Town Clerk, 580 High Street, Westwood, MA 02090 in writing, with a copy to the Norfolk County Mosquito Control District, Building 34 Endicott Street, Norwood, MA 02062, by March 1, 2016, although the district will honor requests at any time. State law requires this notification as well as a requirement to post your property. This is very important if you **do not** want adult control so that District personnel can exclude your property from these applications.

Visit the District's website at www.norfolkcountymosquito.org for more information.

Summer Camps

The Westwood Board of Health would like to inform parents that summer camps, including day, residential, sports, travel and trip camps, are governed by *105 CMR 430.000 of the State Sanitary Code, Chapter IV, Minimum Sanitation Standards for Recreational Camps for Children* and are licensed by the local Board of Health. In order to protect campers and ensure that they have a fun, safe experience, camp operators are required to conduct criminal background checks on staff and volunteers, provide a Health Care Consultant and a health supervisor to care for injured and ill campers to name a few of the requirements. Contact the Health Department for more information.
